no. 1

Rocky recipes

Colourful rock slice

Time needed:
290 million years &
a working day

*collect fresh 'silver-grey'
granite, slice very thin
with a diamond
blade, glaze,
bake for 1 hour
10 minutes at 65°C,
thin until transparent, glaze
again, view through microscope
with one polaroid*

*add a second polaroid and view again,
serve with tongue in cheek*

where's the science? it's on
www.earthwords.co.uk/recipes
that's where!
